

## RECORD AT JAMAICA

Nearly 30,000 See Events on a Bad Track.

### RESTIGOUCHE LOSES THE RACE

Keene's Horse Nosed Out by Jack Atkin, the Only Other Starter in the Montague Stakes—Nutter Goes Before Stewards with a Claim of Foul, but Is Turned Down.

New York, May 9.—The largest crowd ever seen at the Jamaica race track enthused over some excellent sport this afternoon.

It was estimated that close to 30,000 spectators were on hand. The field in closure was packed. The lawn was over-run, and the clubhouse was thronged. The weather was chilly, and a sudden rain squall appeared, but the crowd did not find much fault with the weather conditions.

The track was dead, but the horses ran close to public form, four favorites, a second choice, and a good thing going over the plate, much to the distress of the layers.

There were only two starters in the Montague Stakes. Jack Atkin was made a 13 to 20 favorite over James R. Keene's Restigouche, which closed at 3 to 2. They were off to a good start, Jack Atkin setting the pace. At the middle of the far turn Atkin swerved out from the rail a trifle, and Restigouche touched his hind feet in such a way that Nutter had to pull up Mr. Keene's racer with a quick jerk to escape a fall.

In a jiffy Atkin rushed away from Restigouche, and coming into the home stretch he increased his lead so that he breezed past the judges with six lengths to spare. Nutter went before the stewards with a claim of foul, which was promptly turned down.

Trance ran off with the Rosedale Stakes, although she was practically left at the post. Personal, an 8 to 1 shot, ran a fine race, and won the first by a length and a half. It took a terrific drive on the part of Nutter to win the race with Troublemaker, a 6 to 5 favorite.

E. Dugan rode two winners and two seconds, while Nutter, York, and McCarthy also did good work in the saddle.

## GETAWAY DAY AT PIMLICO.

Ten Thousand People See Good Card at Maryland Track.

Baltimore, May 9.—This was getaway day at Pimlico, and more than 10,000 people were at the track.

The card offered was a good one. Two favorites, three second, one third choice, and one outsider won the events.

A lot of money was burned up on Boundbrook, in the steeplechase. The gelding was brought here from New York for the race, and was made a favorite. Dulcian set the pace for a mile, Grandpa second, and Boundbrook third. At the mile and a half, Moongold went through the field like a shot and took the lead and held it to the finish. Grandpa finished second, with Boundbrook a poor third. Summaries:

## TRAVIS RETAINS THE CUP

Golfer Captures President's Prize for Fourth Time.

Sawyer Put Up Good Contest—Max Behr Shows Up Well.

New York, May 9.—Sunshine greeted the players for the first time during the tournament at the Garden City Golf Club to-day and the final rounds of thirty-six holes kept up the interest to the last put.

Travis, aided by good judgment in the wind, won the president's cup for the fourth year in succession.

It was give and take on the first two holes, Travis gaining the first in four and Sawyer the second in three. There was a half in five on the third, but through a better long approach shot, Travis was enabled to get the fourth in five. Neither made mistakes on the fifth and they halved in five. On the 550-yard seventh, after being in command on the long game, Sawyer flubbed his approach into a cellar trap, but Travis missed a put and they halved in six. This was Sawyer's only bad shot going out.

The next action was in the ninth, where through a perfectly judged approach in the wind and over the mound, Travis laid safe for a four, while Sawyer, from a better opportunity, played the approach poorly and had to be content with five.

On the eleventh, Sawyer played poorly on every shot, and, although Travis gave a chance to him by a wide approach, he finally failed on a six-foot put to get a half, and by a win in 5 Travis was 3 up.

The twelfth was a half in 3, neither making the green from the tee, and having equal limit on rebounds from the mounds after their massie shots, a sum of good fortune that gave to them easy puts. A long put stole the fourteenth for Travis in 3.

On the fifteenth and sixteenth, Travis played poor second shots, but Sawyer could only get halves. There was also a half on the seventeenth in 4, due to a 50-foot put by Sawyer. A 3 on the home green made Travis 5 up for the morning.

In the afternoon Travis won by 9 up and 7 to play.

Sawyer's only winning hole was the sixth, going out in the morning. There was a heavy wind in the morning, a baffling factor, and Travis' allowances against it or with it were a treat to see. As to the beaten eight cup, named the Garden City, W. L. Hicks, of Nassau, was 1 up over J. D. Foot, of Apawamis, in the morning, but the latter won out by 2 up and 1 to play.

For the Hempstead Cup, P. R. Jennings, who was 1 up in the morning, won from J. G. Batterson by 3 up and 2 to play. After being all square in the morning, W. R. Simms, Crescent A. C., won the Deluge Cup from Oscar Woodward, Montclair Golf Club, by 5 up and 4 to play.

In the morning Foot had the 186-yard twelfth hole in 2, having to make a 5-foot put for the count.

There were ten names posted for the handicap, and the gathering for this competition almost congested the course. Max Behr, of the Morris County Baltusrol, made a splendid round and won both the gross scores and the cup for the best net score.

## HARVARD DOWNS DARTMOUTH.

Vanquished Athletes Stronger Than Anticipated by Their Rivals.

Cambridge, May 9.—Harvard defeated Dartmouth this afternoon in their third dual track meet by the score of 68 points to 49.

The meet was interesting, and Dartmouth was far the stronger than had been anticipated. The Crimson did not show up in good playing form, and the outlook for the dual meet with Yale next Saturday is not encouraging.

Lawrence, of Harvard, was a surprise. He vaulted 11 feet 8 3/4 inches, far better than he ever has done before. The track was poor.

## VIRGINIA WINS MEET

Captures Southern Intercollegiate in Easy Style.

### FLEMING LANDS TWO-MILE RUN

Hatchette Flyer Competes with Good Field and Sprints to the Lead in the Last Lap—Sterrett Beaten in Pole Vault—Saville, of Virginia, Downs Glennon, of Georgetown.

Special to The Washington Herald.

Charlottesville, Va., May 9.—Georgetown and George Washington were Virginia's only competitors at the Southern intercollegiate to-day, and hence the Orange and Blue had an easy time carrying off the banner for the team, scoring the largest number of points. North Carolina and Johns Hopkins failed to show up.

Rector ran a good race in the 100 yard, defeating Ashby, a 10 1/5-second man, by ten yards.

Two Virginia records were broken—the pole vault and high jump. In the pole vault Martin cleared the bar at 10 feet 9 inches, defeating Sterrett, of George Washington, the Southern champion.

In the high jump Holladay, of the football eleven, cleared 5 feet 10 1/2 inches. In the jump off for second place between Archie Randolph, the record holder, and Martin, Randolph equaled Holladay's mark.

Fleming, of George Washington, won the two-mile event in splendid time. He spurred in the last lap, and passed both of the Virginia entries.

Glennon, of Georgetown, was beaten in the shot-put by Saville.

## WESTERN ATHLETES STRONG.

Olympic Try-outs at Leland Stanford Show Up Well.

San Francisco, May 9.—Pacific Coast try-outs for the London Olympic Games, at Stanford University to-day, brought out some good results, which show the standard of athletics in the West to be on an even basis with the Eastern champions.

Forrest Smithson, running under the colors of the Multnomah Club, won the 120-meter hurdle race in 0:15 3/5. Ralph Rose won the shotput at 47 feet, the hammer throw and discus. Bellah, of Stanford, captured the pole vault at 12 feet 2 inches. Glarner, of the Olympic Club, won the 400-meter race in 0:59 1/5. Edmonson, of the University of Idaho, won the 800-meter race in 1:59 1/5. Glarner also won the 400-meter hurdle in 59 seconds, while Bellah, who won the pole vault, took first in the broad jump at 22 feet 5 1/4 inches.

Vandervoort was second in the broad jump, at 22 feet 4 1/4 inches. Joseph B. King won the fifteen-mile Marathon race in 1:24:29.

## AMHERST TRIMS WILLIAMS.

Soggy Condition of Track Responsible for Poor Time Made.

Amherst, May 9.—Amherst defeated Williams in a dual track meet on Pratt Field to-day by a score of 63 to 57. Several of the events were run in a driving rain, and the soggy condition of the track was responsible for the poor time performances.

Smith, of Amherst, broke the college record for the hammer-throw. Horrax, of Williams, and White, of Amherst, were the individual point winners of the day, the Williams captain securing 19 and the Amherst distance runner winning first in the one-mile and two-mile events.

#### Princeton Freshmen Victors.

Princeton, May 9.—The Princeton freshmen were victorious over the Yale freshmen in the annual dual track meet here this afternoon by the score of 54 1/2 to 48 1/2. Kilpatrick, of Yale, was the individual star, getting first in the 120-yard hurdles, shot-put, broad jump, and a tie for second in the high jump, 18 1/2 points in all.

Pandoro, 129 (Mr. Wright), 9 to 5, second; Fancy Bird, 144 (Mr. Tucker), 2 to 1, third. Time, 1:53. Only three starters.
